SUCCESSFUL farmers are no longer asking, "Shall I buy an engine?" They have passed that point and now inquire, "Which engine shall I buy?"

A little careful observation will show that International Harvester engines are the most satisfactory. No doubt is left when features like the following are studied: Detachable valve guides, offset cylinder head, fuel pump, split-hub fly-wheels, extra large intake and exhaust valves, etc.

Ask the men who have used I H C engines. That is the best test. They will explain the excellence of I H C construction, simplicity, strength and durability. Study the engines yourself at the nearest dealer's where International Harvester engines are sold. They are made in all styles, and range in size from 1 to 50-H. P. They operate on low and high grade fuels.

Write for our interesting and instructive catalogues, and when we send them we will tell you where the engines may be seen. A postal will do.

BLEASE SATISFIED OF SMITH'S DEFEAT

Declined to Make Special Comment on County Conventions.

Columbia, May 6.—Governor Blease declined to make any special comment today on the results of the county conventions but expressed himself as satisfied with the reports he was receiving from over the State. "I will beat Smith 15,000 to 18,000 votes," said the governor telling of the many letters and messages of encouragement he was getting on every mail. The governor said the Bleasites were not much on handling clubs and conventions but when it came to the ballot box they had the votes and know how to use them.

Governor Blease is satisfied his friends will have a better showing in the coming convention than they did in 1912 and when asked about the overwhelming majority against him that would be in that gathering said he was not worried.

"I am specially delighted over the result of yesterday's election in Columbia," said the governor referring to the defeat of Mayor Wade Hampton Gibbs for re-election and the run over for mayor between Drs. F. S. Earle and L. A. Griffith. Further than this he would not express himself.

Gov. Cole L. Blease, Assistant Attorney General Fred H. Dominick, and Mr. S. J. Nichols of Spartanburg will go to Greenville tomorrow and will make speeches in the city of Greenville tomorrow night. Mr. Nichols is running for congress up in that district. On Friday the governor and Mr. Dominick will make speeches at Fair Play in Oconee county at the commencement exercises of the school there and after they are over the governor and Mr. Dominick will make political addresses to the voters. Mr. Dominick is running for congress against Congressman Aiken and Oconee county is in that district.

Senator John L. McLaurin of Bennettsville was in Columbia yesterday leaving this afternoon for the upper part of the state. The senator gave out no statement while here but it is known that he held conferences with several of his friends. Mr. McLaurin called on Governor Blease while in the city but whether the call was merely personal or had to do with the political situation is not known. Mr. McLaurin is running for governor and has stated publicly that he intends to vote for Governor Blease for the United States senate. Two other candidates for governor, Mr. Charles Carrol Simms of Barnwell and Representative W. C. Irby, Jr., of Laurens are warm personal and political friends of the governor. As to which of these three will get the bulk of the administration vote is a matter which will be settled after the August primary.

Assistant Attorney General Fred H. Dominick who was campaign manager for Gov. Blease in both of his races for governor is a candidate for congress in the Third congressional district, now represented by Congressman Wyatt Aiken. Mr. Dominick has been visiting in the Third district every opportunity his official duties permitted him to get off and it is probable that after the State convention he will make a more vigorous canvass. He declared this morning that he was confident of the result and does not appear to be disturbed by not being a delegate to the State convention from Newberry.

Several of the administration leaders from different parts of the State have been in Columbia this week but no confirmation has been obtained of a rumor which has been in circulation that a caucus was held. The administration leaders are not talking about what plans they have mapped out for the campaign beyond the fact that they say they are worried over the anti-Blease wave which swept the State in the county conventions.

"TIZ" EASES TIRED, SORE, SWOLLEN FEET

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel all tired out—just try "TIZ". It's grand—Your feet will dance with joy; no pain in corns, callouses and bunions. There's nothing like "TIZ". It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture. Get a 25 cent box of "TIZ" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

At the conclusion of the exercises the chairman, Mr. Cobb, presented two gold medals for the best boy and girl scholars in the school which were won by Miss Margaret C. Games were entered into by the children which was enjoyed especially by the boys while the girls took the swings which were well patronized all day. The event was one of the best ever enjoyed here.

A home talent play will be given in the hall tonight by the school children assisted by some others for the benefit of charity. A large audience is expected.

Jones picnic will be held on the 15th of this month. You better take a holiday and attend this great annual event. Noted speakers will be on hand to tell you all the latest news about the welfare of the state. Bring your wife and family and it will do you all good.

Our esteemed assistant treasurer, Mr. J. F. MacEnroe has arrived home after an extended visit to the North. While in Boston he attended the great textile convention.

SULPHUR DRIES UP ECZEMA AND STOPS ITCHING

This Old Time Skin Healer Is Used
Just Like Any Cold Cream

With the first application of bold-sulphur cream the angry itching attending any eczema eruption ceases and its remarkable healing powers begin. Sulphur, says a renowned dermatologist, just common bold-sulphur, made into a thick cream will soothe and heal the skin when irritated and broken out with eczema or any form of eruption. The moment it is applied all itching ceases and after two or three applications the eczema disappears, leaving the skin clear and smooth.

He tells eczema sufferers get from any good pharmacy an ounce of bold-sulphur cream and apply it to the irritated, inflamed skin, the same as you would any cold cream.

For many years this soothing, healing sulphur has occupied a secure position in the treatment of cutaneous affections by reason of its parasite-destroying property. It is not only parasiticide, but also antipruritic, antiseptic and remarkably healing in all irritable and inflammatory conditions of the skin. While not always establishing a permanent cure it never fails to instantly subdue the irritation and heal the eczema right up and it is often years later before any eruption again appears on the skin.
